Special Guest Speaker:

Donna Smith

Featured in Michael Moore's 2007 documentary "SICKO", Donna Smith never imagined she would be one of millions of Americans facing homelessness until illness struck her and her husband. With mounting medical bills, her family went bankrupt and was forced to sell their home and move into their daughter's basement. Her incredible story shows that homelessness can happen to anyone and highlights the courage needed to recapture a life almost lost.

Honoree:

Wheeler Avenue Baptist Church

In June 1962, Founding Pastor William A. Lawson formed Wheeler Avenue Baptist Church with a congregation of thirteen pioneering worshipers assembled in the lounge of Texas Southern University's Baptist Student Union. Now, in 2008, Wheeler is being led by Reverend Dr. Marcus D. Cosby and has a current congregation of well over 5,000 people. They remain a respected staple in the Third Ward community and a trusted refuge for those who seek help in their time of need.
